EL PASO, TEXAS: One man is dead after an early morning crash in east El Paso. Special Traffic Investigators responded to assist Pebble Hills Patrol on a two vehicle crash that resulted in the death of one of the drivers. Investigators have learned that a 2005 Mercury Sable was travelling south on Zaragoza when the driver, 36 year old Eliseo Dorado, lost control and crossed into oncoming traffic. The Sable struck a 2008 Chrysler 300 at which time the Sable rolled over and Dorado was ejected. Dorado was transported to Del Sol Medical Center by El Paso Fire but later died from his injuries. The driver of the Chrysler suffered non-life threatening injuries and was being treated at a local hospital. Investigators suspect that alcohol and speed attributed to Dorado are factors in this crash. The crash remains under investigation.
